Hike The two savages

Description

The Laggintal and Zwischbergental valleys are two unspoilt wild valleys on the south side of the Simplon with an incomparable charm. Past steep cliffs and rushing streams, you will discover breathtaking nature with a fantastic panorama.

A trip to nearby Italy for a proper polenta is just as possible as a visit to Lake Tschawin.

These are 1-day tours. The starting point is always Simplon-Dorf.

If you would like to book several days, please let us know. We are also happy to organise accommodation and catering. There are plenty of routes.
